ADDENDUM NO. 001

TO: PLANS AND SPECIFICATIONS FOR STATE OF MISSOURI

Project Title: CDBG Building Development Project
Project Location: MSP Redevelopment Site, Jefferson City, Missouri
State Project No. O1103-01

The Bid Opening Date is changed: First Submittal: 1:30 PM, Thursday, November 10, 2011
Second Submittal: 5:00 PM, Tuesday, November 15, 2011

Bidders are hereby informed that the construction plans and/or specifications are modified as follows:

- Section 001116 – INVITATION FOR BID: Paragraph 3.0.A First Submittal – DELETE "November 3, 2011" and ADD "November 10, 2011".
- Section 001116 – INVITATION FOR BID: Paragraph 3.0.B Second Submittal – DELETE "November 7, 2011" and ADD "November 15, 2011". Note: An extra day for the second submittal has been provided as Friday November 11, 2011 is a State Holiday.
- The Pre-Bid Meeting for this project was held on Wednesday October 12, 2011 at 1:00 PM at 301 West High, Room 850, Jefferson City, MO. No Changes to the bid documents, plans and specifications, resulted from discussions of the Pre-Bid Meeting. All Changes will be addressed in this, or a subsequent Addendum.
- Attached is a copy of the Plan Holders list and the list of attendees from the Pre-Bid Meeting.
- Section 00 1116 – INVITATION FOR BID – Paragraph 5.0: ADD C. Access to the project site will be available by appointment. Appointment shall be requested a minimum of 24 hours prior to the proposed site access time. Request shall be made by telephone or e-mail request to the Designer and the Project Manager who will confirm the time for the site visit.
- Section 00 7300 – SUPPLEMENTARY CONDITIONS: DELETE Paragraph 6.0: "Builders Risk or Installation Floater" insurance IS REQUIRED.
- Section 01 1100 – SUMMARY OF WORK – Paragraph 1.2.B: DELETE "August 15, 2011" and ADD "September 2, 2011".
- Section 02 8000 – FACILITY REMEDIATION – Paragraph 1.1.C: ADD 1.1.C.4 - Work required under this section is limited to Remediation activities within the project areas identified in the project drawings. General Contractor shall responsible for coordination and scope of work assigned to the Environmental Contractor.
- Section 02 8000 – FACILITY REMEDIATION – Figure 3-1 and Figure 3-98, including the accompanying materials summary and inventory sheets are for informational purposes and no Facility Remediation work is required within Housing Unit #1 or the Main Corridor.

By the Order of:

Larry Burkhardt, AIA, PE
Chief Architect
Division of Facility Management
Design and Construction
